## THE PROJECT

The project Q.LIME - "Quality in Licensing and IPR Management Education" is a "pilot project" funded with the support of the European Commission in the framework of the Leonardo da Vinci Programme.

## AIMS

The project aims to develop vocational training materials related to "IPR and Licensing Management".

The project will contribute to the development of the common core criteria for quality in Vocational Educational Training (VET) identified by the "Technical Working Group on Quality in VET" (Copenhagen Process).

The project activities to create the materials and website started 1st October 2005 and will be and completed by the end of March 2007.

## RESULTS

The project will deliver:

- **training materials** consisting of Training Modules, Problem Solving materials and Operational Guidelines.
- a **quality report** highlighting the project's added value to the framework for quality in VET in the field of "IPR and Licensing Management".
- a **web site** providing on line tools and a forum to develop and support the professional and business community interested in IPR and Licensing Management.
